

Pak-Austria Fachhochschule:
Institute of Applied Sciences and Technology (PAF: IAST)
Khanpur Road, Mang, Haripur (Khyber Pakhtunkhwa)

Position: International Consultant

Pak-Austria Fachhochschule: Institute of Applied Sciences and Technology (PAF: IAST) is novel in its content and holistic in approach. The project concept is based on the slogan of “*Skilling Pakistan*” to create a high-quality technical education infrastructure. This unique educational institution in Pakistan will closely collaborate with several institutions in Austria and award multiple foreign degrees. This is a historic and visionary initiative as it is probably the first time that an institution will be established in Pakistan with many foreign universities giving degrees to students who study in it.

PAF: IAST is looking for potential applicants to be selected as **International Consultant** to assist in the interaction with the Austrian partners especially in academic planning, degree accreditation and implementation of the project. Candidates, preferably an academician, should have a demonstrated experience of project management, financial management and administration in public and/or private sectors.

Qualifications and Experience: The applicant must hold a PhD degree with at least 15 years of teaching and research experience in international institutions recognized by the Higher Education Commission. Detailed knowledge of the standards and working practices in academic institutions, accreditation agencies, government organizations / private sector of Austria is essential. The candidate should also have the ability to negotiate terms and conditions with international academic organizations for collaborative international linkages.

The appointment of the consultant will be assignment-based for specific order. Pay package and other terms and conditions will be negotiated with the successful applicant.

Terms and Conditions

1. The candidates should submit a detailed dossier along with up to date Resume and covering letter clearly elaborating research experience, project details and area of specialization reflecting relevance to the position applied for.
2. All applications, complete in all respect, must be submitted through email at info@paf-iastr.edu.pk addressed to the Project Director, Pak-Austria Fachhochschule: Institute of Applied Sciences and Technology, Mang, Haripur, latest by **15 Nov 2018**. Incomplete applications and applications received after due date will not be entertained.
3. Age limit is 65 years.
4. German language skills are essential.
5. Land-line, mobile phone numbers, email address and Skype user ID must be mentioned in the cover letter.
6. Attach copies of all the documents related to qualifications and professional experiences, passport and a recent passport size photograph with the application.
7. Only degrees obtained from Higher Education Commission (HEC), Pakistan recognized Universities/Institutions will be accepted.
8. Applications shall be scrutinized based on expertise and area of specialization which is required under Pak-Austria Fachhochschule project needs and demands.
9. Only Short-listed candidates will be called for interviews. No traveling allowance/daily allowance (TA/DA) will be admissible to the candidates called for interview.
10. Shortlisted candidate shall pass through prescribed selection procedure.
11. Selected candidate shall be governed by **PAF: IAST** regulations.
12. Candidate, after selection in prescribed manner, shall ensure his/her availability, on date and time fixed by **PAF: IAST**.
